## COVER PHOTOS

Fremantle SLSC was the 2019 winner of the inaugural State Pool Rescue Championship trophy. At the end of the first day, after the Seniors competition, Fremantle was second place behind Trigg Island. But with our depth of Masters and Juniors competitors, the second day saw Fremantle finishing strongly on 576 points, overtaking Trigg Island on 519.5 points.

At the 2019 SLSWA Awards of Excellence, John Summers won the Assessor of the Year, and Mike Shaw won both the Trainer of the Year and Volunteer of the Year awards. At the end of the evening, our Club was presented with the coveted Patrol Club of the Year (I.T. Birtwistle) trophy.

# President's Report

■ Cath Morgan

**I**t's been another very successful season at Fremantle Surf Life Saving Club. This year our member numbers reached an all-time high with over 1530. This continued growth in numbers is a fantastic indicator that we are doing some great things at our club.

In March 2018, the Board completed the Fremantle Surf Life Saving Club Strategic Plan. The plan describes the club's strategic vision, values and key objectives for seasons 2018 through to 2023. The Club's Board, together with our managers and administration have been working hard to make improvements in the five key objective areas of Financial Viability, Participation, Member Development, Sustainability and Engagement.

## FINANCIAL VIABILITY

We are continuing to update and improve our accounting system to enable more efficient and streamlined reporting. Our marketing committee has been revamped to increase the range of members and diversity of skills, and a system developed to better acknowledge our sponsors.

## PARTICIPATION

To ensure a smooth transition between seasons, we have improved our succession planning and position descriptions have been reviewed, updated and made available for members on the Club website. It was also great to see an increase in club members participating in training, as well as more training sessions being made available.

## MEMBER DEVELOPMENT

This season, the Surf Sports committee implemented a coaching review program, whereby the Director and Manager of Surf Sports, team captains and coaches attended meetings to collaboratively plan training sessions, encourage participation and address any issues. We teamed experienced patrolling members with new or less experienced patrol captains to provide support and encouragement. Similarly, our new trainers were matched with experienced trainers to provide support and improve consistency.

## SUSTAINABILITY

Due to the growing membership base, a stronger focus has been placed on the Club's investments and expenditure to ensure members' funds are being appropriately managed and annual budgets met. To ensure the wellbeing of all members and employees, the Club participated in the Peer Support program implemented by SLSWA and now have three of the sixteen trained volunteer Peer Support Officers in WA. In order to continually develop and improve, we have initiated a member satisfaction survey to receive feedback on the club's performance.

## ENGAGEMENT

All new members are welcomed to the club, either at our registration day, afternoon tea for new member's or our senior members, or through a personal email from the Club Captain. We are continuing to build relationships with the community by inviting key representatives such as City of Fremantle councillors and Port Beach Polar Bears members to club events such as the HMAS Sydney Memorial Service. We hold regular gatherings for our past members where we encourage them to re-engage with the Club and are continuing to work with local and federal government representatives to improve parking in the precinct.

While the strategic direction of the club is critical, it is equally important to manage day to day operations. Our Managers and their

teams work very hard and continue to impress the board with their dedication to the club. The provision of professional, skilled patrols along our 4km stretch of beach plays a significant role in our club. I thank the entire lifesaving and education team and all patrol members for ensuring our compliance in this area. There is a vast array of other voluntary work undertaken by our members. Thanks to our managers, coaches, officials, water safety, age group managers, committee members, area captains, canteen and uniform shop helpers and everyone else who volunteered their time for the club this season. Special thanks to Dave Carbon and his team for completing the "Lawn Project" on time and way under budget.

## CLUB MEMBER OF THE YEAR

It was an honour to present this year's best Club Member Award to David Carbon. Since joining the club in 2011, David has been a skilled and reliable patrol member averaging 34 hours per year. He is a regular on the Christmas day voluntary patrol and has been invaluable in a number of our most serious first aid incidents. He always contributes at club events such as the Port to Pub and Freo Ocean Classic, busy bees and has entertained us at social events. David is a skilled and talented sportsman with an impressive record at club, state and Aussies Championships and is a great supporter and motivator for surf sports competitors of all ages. He excels as one of our most popular and competent trainers and has an ability to engage with his students and bring out their best. This season he led the "Lawn Project", in charge of removing the huge build up of sand from the club lawn. Dave spent many hours and his own money on the project, saving the club a fortune. Congratulations to David, a deserving recipient of this prestigious award.

*Club Member of the Year, Dave Carbon*

## AWARDS OF EXCELLENCE

Well done to this year's SLSWA Awards of Excellence nominees. We are very proud of the following individual nominees from Fremantle -

*Youth Lifesaver of the Year – James Currey*

*Administrator of the Year – Erin Jameson (finalist)*

*Trainer of the Year – Mike Shaw (finalist)*

*Assessor of the Year – John Summers (finalist)*

*Coach of the Year – Jack Dowie*

*AGL Volunteer of the Year – Mike Shaw (finalist)*

*Support Operations Volunteer of the Year – Liam Burke (finalist)*

Particular congratulations to those nominees who were selected as finalists in their category. In addition, the Club was selected as a finalist in the following categories -

*Community Program of the Year*  
*Patrol Club of the Year*  
*Lavan Club of the Year*

Our club took four major awards at the Awards of Excellence on the 8th of June. John Summers was named Assessor of the Year, Mike Shaw won both AGL Volunteer of the Year and Trainer of the Year and we also took the coveted Patrol Club of the Year (IT Birtwistle) Trophy. Both John and Mike will go on to represent SLSWA later this year at the SLSA Awards of Excellence.

## NEXT SEASON

It is wonderful to see our young leaders stepping up into more formal roles and we will continue to encourage and support them to succeed. Recognition of our volunteers and encouraging more members to help out and share the workload as our club grows will also be a focus. We will be actively seeking new sponsors and grants and continuing our work towards ensuring that we are communicating effectively within all areas of the club.

Finally, I would like to thank the Board, managers, administrators, club members and my family for their incredible support during my term as President. I have worked hard to be an enthusiastic and approachable leader and do my part in setting the club up for continued future success. I am now looking forward a bit of a break. Who knows, I might even dust off my ski and go for a paddle.....

I'm proud to support the  
**Fremantle Surf Life Saving Club**  
 and, as a Vice Patron of Surf Life Saving WA, I wish everyone a safe and enjoyable 2019-20 season

*Josh.*

# 2019 SLSWA Awards of Excellence Nominees

## Lavan Club of the Year (finalist)

Our Club has driven continuous improvement this year in line with the Strategic Plan, in areas of financial viability, member participation and development, sustainability and engagement with the community. In particular, improvement in governance has seen creation of better processes for running the Club, and leadership development has been a key focus area this year.

## Patrol Club of the Year (finalist)

Our Club undertook 9,890 hours of patrols through 14 patrol teams this season, a record for our Club. Our large number of Youth are being mentored on separate Youth Patrols and we have introduced new Youth Vice Captain roles. The Drone program was formally introduced this year, and we have trained a number of accredited Drone pilots. Training whilst on patrol has been a focus this season with the introduction of the rescue manikin and next season we will provide a set of first aid scenario cards to allow our members to refresh and improve their skills.

## AGL Volunteer of the Year (Mike Shaw, finalist)

Mike was a Patrol Vice Captain this year. He was also our Surf Sports Manager, and coordinated the Club Championships. He was also very active in Bronze training and assessing, as well as commercial training, and the Club's Multicultural Beach Safety Program. At State level, Mike chaired the State Education Advisory Committee and sat on the National Committee. He has produced the Club's Annual Report for the last three years.

## Youth Lifesaver of the Year (James Currey)

James has been an outstanding member and contributor. He gained his Bronze in an intensive winter course and followed with his IRB crew qualification. He has been a Vice Captain of his patrol as part of the mentoring program and was an Age Group Manager for the nippers. James has assisted in the setup of every carnival held at Fremantle and has volunteering at some carnivals at other beaches. He has shown an interest developing the Club's youth through becoming a trainer for the youth SRC courses. He has rowed surf boats, is a board paddler and has begun competing in IRB this season as a crew and patient.

## Administrator of the Year (Erin Jameson, finalist)

In the past year, Erin has digitised and significantly improved our club's online booking system. This has given our members a convenient and easy to use system to manage memberships, book competition entries, purchase tickets to social functions and sign up to education and requalification courses. It has not only made our members' lives easier, but has also streamlined the administrative burden normally required around these tasks. Furthering our club's digital presence, Erin also coordinates all of our club's social media profiles and prepares our internal weekly newsletter to disseminate important information to our members. Erin has been critical from a marketing perspective as well, being a member of the team that managed the Fremantle Ocean Classic for a second year running.

## Coach of the Year (Jack Dowie)

Jack is a Level 2 Coach and has provided over 360 hours of coaching to our athletes. This year, as Surf Sports Director, he implemented a Coaching Panel and developed a plan for 13 new coaches in all disciplines. He has been a strong advocate of developing Coaching Plan for all disciplines to prevent over-training and injury. He competes every year at State and National level, and is an outstanding role model to our Coaches.

## Trainer of the Year (Mike Shaw, finalist)

Mike's main involvement was as Bronze Training Coordinator. He provided over 140 hours of training across four separate Bronze groups and worked to mentor two new Bronze course coordinators. He also participated in eight Bronze assessments at other clubs. This year, Mike upgraded his Cert IV to be able to continue commercial training,

and gained his Facilitator ART qualification.

## Assessor of the Year (John Summers, finalist)

As Lifesaving and Education Director, John was accountable for the annual skills check process for the Club, covering Bronze Medallion, IRB driver, IRB crew and RWC. John was personally responsible for conducting Bronze Medallion skills checks for around 100 Bronze members, in addition to overseeing the skills checks for 40 IRB drivers, 80 IRB crew and 10 jet ski crew. John also assisted with assessing an SRC course internally within our Club. John has also been one of only a few active assessors for IRB driver and crew and RWC, participating in skills checks and assessments at Secret Harbour and Cottesloe. In the area of higher awards, John gained his Facilitator award in Pain Management.

## Community Program of the Year (finalist)

In its fifth year, this program, run by Matt Elliott and Mike Shaw, hosted over 60 students from Aranmore Catholic College and Lynwood SHS - recent immigrants to Australia. Many have never seen the ocean, or have limited awareness of the dangers of the surf. We presented in-class sessions

followed by on-beach activities to promote safety and awareness of the role of surf lifesavers. Our philosophy is that it is better to prevent the problem through awareness, than to make the rescue. The students are then able to pass that knowledge to their parents.

## Support Operations Volunteer of the Year (Liam Burke, finalist)

Liam was nominated for his proactive adoption, participation and promotion of SLSWA's new Mental Health program. Liam was involved in the first group of training to become a Peer Supporter and has since provided support to our Club members, members from other Clubs as well as fellow Peer Supporters. Liam has also worked collaboratively with the SLSWA Lifesaving Development Officer; for the benefit of the state as a whole.

# Director of Finance Report

■ **Tony Silipo CPA BCOM**

I am pleased to present the Audited Financial Report for the Year ended 31 March 2019.

## Result for the Year

The Club has recorded a net profit of \$98,290 for the eleven months ended 31 March 2019 after amortisation, depreciation and accounting adjustments, but before capital expenditure.

The net profit prior to the accounting adjustments mentioned above was \$ 95,888.

It should be noted the increase in net profit to the previous year is mainly due to an increase in membership with income from membership fees increasing by \$26,612, and donations increasing by \$27,881, due to the recognition of equipment donations from SLSWA and AGL of \$27,844

It should also be noted that this year being an eleven month reporting period and changing our year end from April to March has had a positive effect on the net profit as April is normally a month with low income and usually operates at a loss..

Our major sources of income were:

<i>Membership</i>	<i>\$ 210,911</i>
<i>Sales - bar, canteen &amp; uniform shop</i>	<i>\$ 96,791</i>
<i>Donations</i>	<i>\$ 66,877</i>
<i>Sponsorship</i>	<i>\$ 44,273</i>
<i>Club rental and hire</i>	<i>\$ 36,396</i>
<i>Education services</i>	<i>\$ 14,636</i>
<i>Social &amp; fundraising</i>	<i>\$ 14,179</i>

The major areas of expenditure were:

<i>Administration</i>	<i>\$ 167,566</i>
<i>Building Services</i>	<i>\$ 109,033</i>
<i>COGS - bar, canteen &amp; uniform shop</i>	<i>\$ 75,868</i>
<i>Competition expenses</i>	<i>\$ 28,954</i>
<i>Social &amp; fundraising</i>	<i>\$ 23,464</i>
<i>Members insurance</i>	<i>\$ 25,180</i>

During the eleven month period to 31 March 2019 there was \$55,007 of capital expenditure, the main items that were purchased or donated during the year are as follows:

*6 Rescue boards*

*Rescue training manikin*

*3 Nipper racing boards*

*3 Senior racing Malibu boards*

*Deposit on IRB Thundercat*

*1 ATV*

*18 soft nipper boards*

*Sundry lifesaving equipment*

## Statement of Financial Position

As at 31 March 2019, the Club's net assets were valued at \$2,075,471.

The Club's cash assets amounted to \$290,411 as at 31 March 2019.

## Looking Forward

The Club is aware of the challenging economic environment we are currently experiencing, and we are always looking for new ideas to further expand the revenue base. In doing so, we are mindful of restrictions we are now facing in relation to building space, equipment and training resources.

As always, we are mindful that we ensure our members have good and reliable equipment and services available to them on a day to day basis. However, these needs must also be juggled with the knowledge that sufficient funds must be put aside for future building maintenance costs. The club is guided by the long term maintenance schedule in place for the building and is budgeting to ensure there is sufficient funds for this capital expenditure, along with maintaining an ongoing program of repairing and replacing equipment.

## Acknowledgement

I would like to thank all of our members who donate their time, expertise and goods to the club - whilst this may not be reflected in the financial accounts of the club your contribution is invaluable as it frees up our cash resources to be used providing members equipment and services.

Finally I would also like to thank our administration staff Jo, Dee and Erin, their knowledge and support throughout the year is very much appreciated.

# Registrar's Report

■ Jo Jameson

## Caring for our environment

# HMAS Sydney II Memorial

Each Year in November, our Club holds a special ceremony to remember the officers and crew of the HMAS Sydney II, which was lost on November 19th 1941 with all 645 crew members in an epic sea battle with the German raider 'Kormoran'. We hold the ceremony on Leighton Beach in front of our assembled nippers, parents and seniors, and recall that many of the crew of HMAS Sydney II spent time at Leighton and our surf club when not on active duty. In February 1941, the crew of HMAS Sydney II presented our club with a hand-made reel, which in the day was the prime means of rescuing people from the surf. The reel is displayed each year and plays a central part in the ceremony.

Chaplain Lynette Emery (left) talking to the assembled nipper and parent group, with Club President Cath Morgan, SLSWA President Craig Smith-Gander (centre) and Commander Peter Mellick from HMAS Stirling

This year, attendees to the memorial service included Commander Peter Mellick and Chaplain Lynette Emery of the Royal Australian Navy based at HMAS Stirling, the President of Surf Life Saving WA, Craig Smith-Gander, Councillors Doug Thompson and Bryn Jones

representing the City of Fremantle, Member for Bicton, Lisa O'Malley MLA, Port Beach Polar Bears President Suzette Felton and Secretary Trevor Pedler, Fremantle SLSC Vice Patron Alex Bajada and Fremantle SLSC Life members.

Young lifesavers form the honour guard, carry the HMAS Sydney II reel and present floral wreaths to be laid on the water by surf boat crew

A welcome to country was offered by Youth member Clara Moody, before Commander Peter Mellick gave a moving account of the tragic story of the ambush and ensuing battle off the West Australian coast. Another of our Youth leaders, TJ Chong Sue, read aloud the Surf Life Savers prayer.

Wreaths were then presented to a waiting surf boat crew who took them out and laid them on the surface of the water, before raising oars in salute.

Afterwards, all attendees and guests gathered for a morning tea.

## The 'Fremantle Ocean Classic'

The Fremantle Ocean Classic is now in its second year of the new branding and this year's event drew a very reasonable 184 competitors. This number was down a little on last year due to a clash with an Open Water Series event on the same day.

Feedback from competitors is that they like our event, over the Open Water Series, as we offer cash prizes. The prizes on offer (for first, second and sometimes third places, for both male and female competitors) were donated by -

- Finz Swimwear (3200m swim) - \$100 / \$50 / \$25
- Mint Real Estate (1600m swim) - \$100 / \$50 / \$25
- Coast Port Beach (4 x 500m team swim) - vouchers
- Channel Nine (1600m board) - \$50 / \$25
- Orange Box (2km run) - Vouchers
- Strange Company - \$100 voucher

In addition, the event was sponsored by our great partners, Aussie Natural Spring Water, Pluk café and Brumbies East Fremantle.

The events program was the same as last year. Overall winners of the headline events were -

- 1600m swim - Nicholas Rollo and Chloe Green
- 3200m swim - Rhys Mainstone and Jaime Bowler

Some outstanding performance by Fremantle club members included Finn Hussey (second in 15-19M 1600m swim and sixth overall), Tracey Shaw (first in 50-54F 1600m swim, and 8th overall), Archie Davis (first in U15M 3200m swim and 6th overall),

The 4 x 500m team event was dominated by Fremantle club members, with the winners being "Just in Time" (including Liam Pizzirani, Kelton Rothnie, Maeve McKenna and Sienna Menin), followed "Freo Masters" (Fi Carroll, Brad Ravenscroft, Matt Elliott and Tracey Shaw).

Similarly, the 1600m board paddle contained exclusively Fremantle club members, and was won by Mark Dropulich, closely followed by newcomer German Bucheli, and Ethan Shaw third. And the 2km run was won by U15F Maeve McKenna, from Cherie McLachlan.

The FOC Planning Committee is already hard at work, planning for next year's event and bring a new expanded program to a wider audience on February 15th, 2020. Put it in your calendars !

Winners of the 4 x 500m teams - "Just in Time"

# Club Captain's Report

■ Anne-Marie Nunes

During the season, Fremantle Surf Life Saving Club has continued to build on its core values through continuing to excel in providing life saving services, promoting 'one club' through teamwork and ensuring the wellbeing of members. The innovation and drive of our members to achieve these objectives has been demonstrated across all areas of our Club – governance, lifesaving, education, development and competition.

This season has seen an increased focus on team participation and member development which is reflected with the implementation of Youth Captains. This season's inaugural Youth Captains were Clara Moody, TJ Chong Sue, (Deputies: Meesha Rothnie and Nick Dart), Phoebe Ashworth, Kelton Rothnie, Jack Hadley and Maeve McKenna.

An increased focus on participation in club activities saw a new initiative undertaken by the social committee, whereby a social event was held by each surf sports team throughout the season which was whole-of-club orientated to further encourage interactions between all areas of the Club (nippers, youth, seniors, surf sports etc.). It was great to see large turnouts to these events and I look forward to seeing the popularity of these grow in the future.

Surf sports continued to grow and develop whereby, along with more training sessions being made available, it was great to see an increase in member's participation. This is a reflection of our Coaches' engagement with members to create a fun and inclusive environment.

The Lifesaving and Education committee also continued to ensure its objective of high-performing and high-quality patrols, whereby at the annual Patrol Captain workshop, examples of scenarios and activities were provided to Patrol Captains to assist in keeping their patrol members engaged and promote continual improvement. Additionally, to encourage member development, experienced patrolling members teamed up with new or less experienced Patrol Captains to provide support and encouragement. These initiatives

were supported by the efforts of our strong team of Trainers who continue to ensure that our members demonstrate high quality skills through their education and training.

In line with the Club's focus on member wellbeing this season, Fremantle participated in the Peer Support program implemented by SLSWA and have three of sixteen trained volunteer Peer Support Officers across the State.

*Amber Kinnane was presented with the Jason Shortte Memorial Trophy for Best U19 Club Member by Club Captain Annie Nunes*

The Board continued its endeavour to promote and develop good corporate governance by undertaking a review of the Club's Strategic Plan, which was implemented last season. This was a great opportunity for the Board to reflect on areas for improvement and the Club's achievements whilst ensuring we are embodying the Club's vision, mission and values.

Going forward into the 2019-20 season, the Club is focused on extending its life saving services to match community needs. As the area around the Club continues to be developed and more residents move into North Fremantle, the Club wishes to ensure it maintains its community presence and engage the community. This involves continuing the development and

growth of the drone program so that the coverage of this service can be extended. Additionally, we want to grow and develop our members. This involves expanding our training options available to members by encouraging them to upskill through achieving higher awards and continuing to offer a high standard of training.

As Club Captain, I'd like to take this opportunity to thank all our Club volunteers, including Age Group Managers, Officials, Coaches, Managers, Administration Staff, Trainers, Committee Members, Patrol Captains, Vice Captains and the Board members, for their tireless efforts across all areas of the Club. Our Club has continued to grow in size and capacity due to your commitment, teamwork, initiative, integrity and service. You are our Club's greatest asset and the reason the Club continues to grow and is a valued member of the community.

## Vale Ron Cochrane (Life Member, 1985)

Ron Cochrane passed away in February 2019, aged 74 years. Joined the Port Beach Surf Club in 1970, received his Bronze Medallion in 1971 and was awarded Best Club Member in 1972. Ron was a dedicated patrol member and competed in beach flags, surf boats as sweep and march past events. He held various Club positions - Instructor, Ambulance Officer, Boat Captain, Patrol Captain, Patrol Officer and Club Secretary. With the formation of Fremantle Surf Club, Ron was the inaugural Gear Steward. He was awarded Best Patrol Member and then became Patrol Officer in 1980-81, Chief Instructor and then Treasurer for four years (1984-88). He was awarded Best Club Member in 1984. He was Bar Director in 1990-91. Ron is recognised for his achievements in organising and conducting various fundraising activities, his assistance over a long time in the instruction of club members and in the maintenance of the clubrooms.

Ron moved to Thailand in the 1990's and only returned to Perth late last year. Following a relatively short period of illness, he sadly passed away. Ron leaves behind his wife Nang, and sisters June (Thomas) and Leanne (Onions) who were also club members.

He will be remembered for his dedication and willingness to help others.

# Lifesaving Report

■ Liam Burke

The club exists because of the vital lifesaving services we deliver, so firstly I want to say a massive thank you to all of our members that either patrol, assist our members to patrol, or train our current and future lifesavers.

*Winner of the Best Patrol Member award this year was Kelly Aitken-Fox, receiving the trophy from Director Lifesaving and Education, John Summers*

It was another successful patrolling year, with 411 members clocking up 9,890 patrolling hours including 1,300 water safety hours—a new record for the Club and 18% more than last year. The season was challenging at times and saw lifesavers perform 28 rescues, mainly via IRB (13) and Board (12), which is three times more than last season. First Aid treatments were down significantly on last season to 86 incidents, with stingers proving to be less of an issue. Preventative actions were up slightly on last season at 313, which shows we continue to looking for potential problems before they occur.

Members continued to go above and beyond their rostered patrols this season by volunteering for other patrols, earning additional awards, assisting at carnivals and external events, volunteering for abalone patrols, and responding to out of hours incidents.

This year saw the introduction of the Westpac Life Saver Rescue Drone service to complement our existing patrol operations. We now have eight operators either partially or fully accredited, which allowed us to log over 800 flight minutes from 43 flights. The drone program will continue to develop in the coming seasons and will provide us with greater visibility over the patrolling areas, timely responses to issues, and allow us to cover our four kilometre stretch of coastline more efficiently.

Funding from Government, SLSWA, SLSA and the Club has allowed us to purchase key items this season such as new boards and rescue tubes, a new IRB motor, and a new ATV, as well as maintain our existing resources. Having such a high standard of patrol equipment provides our lifesavers the best chance of responding effectively when a situation arises.

Each season the Lifesaving Committee selects a Best Patrol member based on criteria such as upholding the Club's values, being a positive SLSA ambassador, meeting patrol requirements, and being competent in the delivery and training of lifesaving services. The 2018-19 Best Patrol Member is Kelly Aitken-Fox, for her commitment to making patrols valuable and enjoyable, her time devoted to training Bronze courses and conducting skills maintenance checks for over 400 members, and for being a strong role model around the club for younger and older members.

Special thanks to our Patrol Captains and Vice Captains who continue to step up, educate, lead, and motivate our teams. Thanks also to the Lifesaving and Education Committee, in particular John Summers (Director of Lifesaving and Education), Liz Pitts (Patrol Officer), Jordan Dowie (Patrol Officer), Kieren Smith (Mobile Equipment and Radio Officer) and Jo Niven (First Aid Officer).

*Club members undergoing training in the use of drones for patrol*

# Education Report

■ Kelly Aitken-Fox

The 2018-19 season certainly kept our dedicated trainers and assessors busy across all of the awards. Thank you to Peter Hastie, Mark Regel, Larry Tilbury, John Price, Rachelle Doyle, Mike Shaw, Pip Hawson, John Skipsey, Cath Morgan, Jay Morgan, John Summers, Ben Pink, Jodie Pink, Anne-Marie Nunes, Elisabeth Pitts, Jack Palmer, Kitty Eichner, Jess Klessens, Dave Carbon, Jo Niven and Ian Clarke.

A more organised approach was taken to Bronze proficiencies this season, involving prebooked timeslots and rotating through separate stations, and which we look forward to refining in the future. A total of 448 proficiencies were conducted this season, the most we have ever done and a reflection of our outstanding growth in patrol numbers over recent years.

	2018-19	2017-18
Certificate IV in Training and Assessment	2	2
Certificate II in Public Safety (Aquatic Rescue)	1	54
Advanced Resuscitation Techniques [AID]	40	16
Bronze Medallion	65	55
First Aid [AID]	16	7
IRB Crew Certificate	31	1
Pain Management Certificate	11	2
Radio Operator Certificate	-	4
Rescue Water Craft Operator Certificate	2	4
Silver Medallion IRB Driver	6	7
Surf Rescue Certificate (CPR Endorsed)	69	61
WA Assessor	-	1
WA Facilitator (First Aid, ART AID)	1	3
WA Silver Medallion Beach Management	2	6
WA Training Officer (Bronze Medallion)	2	2
WA Training Officer (IRB)	-	1
WA Training Officer Certificate	-	5

Fremantle also continues to be a top 'training club', with 248 new awards gained this season (up from 231 last season). The table above shows the breakdown of awards - we continue to benefit from our growth in Nipper numbers in the last few years, now showing as increasing numbers of candidates in the Bronze, SRC and IRBC awards particularly.

As a result of the growth in numbers, we conducted four separate Bronze courses this year (the most we have ever done). We have continued offering 'intensive' one-week courses, which greatly suits school students as they are run entirely in the September and January school holidays, in addition to our 'full' eight-week courses. We also gained two new course coordinators - Kelly Aitken-Fox ran the September intensive course, and Dave Carbon coordinated a full course catering for a group of Masters (30+) candidates - both courses were real successes. Mike Shaw coordinated the other two Bronze Medallion courses, one full course and the January intensive course. Between the four courses, Fremantle can now boast 65 new Bronze Medallion members on patrols.

We have renewed our efforts to improve numbers of members with higher awards - a process that has not been helped by lack of clarity in several of those awards, such as Advanced Resuscitation and Spinal Management, and by some of our older Facilitators in these awards becoming less active. This year, John Summers and Mike Shaw gained the Pain Management Facilitator and Advanced Resuscitation Facilitator awards respectively. A focus of interest in the coming year will be to build our capability to deliver the Spinal Management and Silver Medallion Beach Management awards as well.

Candidates from the January intensive Bronze course being carefully assessed by Graham Sharpe (Swanbourne) and Nick Hancock (Cottesloe)

Our younger members also showed their passion to get onto patrol. John Skipsey, Cath Morgan and Jay Morgan all put in a huge effort that saw 69 new SRC's join our patrols this season. Don't underestimate the amount of effort required to keep 69 teenagers focussed - well done, team!

Mike Shaw, John Summers, John Price and Peter Hastie once again were the backbone of our Commercial Training team. We provided Community Surf Rescue Certificate training and proficiencies to three local schools - Seton College, Scotch College and CBC Fremantle - plus a Surf School. A total of 75 candidates received their training and qualifications. In addition, Mike trained 18 candidates to Provide CPR and Provide First Aid qualifications. As a result, commercial training generated over \$5,000 in fees for the Club.

The IRB trainers continued to work tirelessly throughout Winter and Summer to award six members with their Silver Medallion IRB Driver qualification and 31 with the IRB Crew Certificate.

The enormous amount of training that we have undertaken this year has put substantial stress on Education team, and we have fortunately had a number of members express interest in becoming trainers and assessors next season. We look forward to providing more opportunities for our members to upskill in the 2019-20 season and ultimately to build a more resilient training and assessing community.

# Marketing Report

■ Mick Burke

The focus of the Marketing Committee this season was to nurture the established sponsor relationships and to ensure alignment of activities with the Club Strategic Plan. In the financial area, the major goals included management of sponsors and achievement of income expectations. In Club Development, we aimed to involve sufficient members to ensure year-on-year succession, create meaningful roles for Youth members, and support the committee with the refinement of processes.

The state of the WA economy has constrained some businesses in the amount they can contribute for sponsorship of worthy community causes like our Club. We enjoyed high retention of existing sponsors and are thankful to

Channel Nine	Aussie Natural Spring Water
Minuteman Printing	Fremantle Steel Fabrication
Mirvac	(with Mark D'Amato)
Programmed	Core Fitness
Brookfield's Property Partners	Juniper
Mincon Rockdrills	City of Fremantle

Advertising opportunities for sponsors

The significant contribution from our major sponsors supports the Club to provide the essential equipment needed for the provision of lifesaving services and training of patrolling members.

Fremantle Life Member Larry Tilbury contributed a substantial cash donation towards a new surf boat.

WA Museum advertised their Ningaloo reef display on one side of our patrol shelter. This was a valuable sponsorship for our club and also proved to be effective advertising for WA Museum.

Some club members have accepted the offer from 'Message in Motion' to display advertising on the back window of their vehicle. The Club and the individual club member both receive funding from this arrangement. The offer to club members will arise again during the oncoming season.

SLSA national sponsor AGL once again supported us this year with the provision of ten nipper surf boards taking their total donation up to 18 nippers boards over the last two seasons. We also thank Westpac, Lisa O'Malley MP, Grace Hendrix from Vacswim, and Bib & Tucker for their sponsorship during the season.

SLSWA raises funds at a state level which it redistributes to surf clubs across WA. The total benefit to our Club this year was over \$35,000 including a new All Terrain Vehicle.

A terrific number of members joined in to shake a can for the Annual Street Appeal, which raised just over \$2,500. Cait Jameson was a central organiser for the complex task of securing collection locations and allocating timeslots amongst members. It's not a comfortable role for a life saver to be collecting money in public, so thank you to all involved.

The club hosts an annual open water swim event, the Fremantle Ocean Classic. It was again successful as a fundraiser and as a fun event for the 156 participants. We raised over \$2,800 on the day.

This event builds on the knowledge from each previous year. A large number of members contribute with water safety, marshalling, catering, registration, administration, and liaison for donations from club sponsors.

Our sponsors who either donated money or vouchers to make the event successful were *Finz Swimwear, Nine News, Mint Real Estate, Coast Port Beach, Orange Box, Aussie Natural Water, Pluck Brumby's East Fremantle, Puck, Strange Company.*

The Port Beach Polar Bears are affiliated members of Fremantle SLSC and continue to be major supporters with a donation of over \$7,000 this year. This amazing group of open water swimmers add a vibrancy to our Port Beach annexe, which is used as their clubrooms. We share a common love and respect for the beach environment.

Many businesses support the production of the Annual Report including *Powerhouse, Whiteline, Coast Port Beach, Mark Tilbury Home Improvements, Allsports, WA Laser Eye, Fremantle Leisure Centre, Blue Gecko, Fremantle Ports, Josh Wilson and Simone McGurk.*

Please support these businesses so they can continue to support our club.

An initiative of the marketing committee is the establishment of an annual donations honour board. Members and supporters

who donate \$100 will have their name recognised on a display board to be erected in the main club entry. Details of how to participate will go out shortly. Club Vice Patron Alex Bajada is underwriting the cost of establishing the honour board system.

Some initial work has been undertaken on developing a strategy to attract corporate sponsorship for Youth activities at the club. A focus for the coming season will be liaison with club Youth leadership on their needs and aspirations and how sponsorship can assist. There is, for example, significant cost to run a Youth camp with all the associated activities.

Thank you to committee members Tony Silipo, Alex Bajada, Matt Elliott, Jo Jameson, Seisha Fogarty-Pryor, Hannah Murray, and newcomers Gavin Blake and Zoe Campbell. Tony puts an enormous amount of time into marketing on top of his club Director role and his omnipresent volunteering around the club. Matt, of course, remains at the core of sponsor relationships.

Huge thanks to Jo Jameson, Dee Purcell and Erin Jameson - our club administration team. They took on the responsibility of project management for major fundraising events and undertook much of the sponsor liaison. They are a superbly competent team managing the complexity of people, procedures and finances.

Overall, it was a successful season for the management of sponsors and sponsorship income. There is no shortage of members volunteering to support each event. We are seeking to increase the numbers on the Marketing Committee with members who can provide administrative support, help identify potential sponsors, and also members with marketing skills. An area of expansion for the club in the coming season will be the creation of printed and electronic promotion materials so we need the ideas people and the production people. The inclusion of Youth members in the committee's work will also take a high priority.

# Lifesaving World Championship 2019 (Adelaide)

The ILS Life Saving World Championships (LWC) are held every two years, this time at Glenelg in Adelaide during November 2018. Held over sixteen days, this world event comprises both Pool Rescue and Surf Rescue competitions and attract over 7,000 competitors from 45 countries. This puts it on the similar scale to the Aussies and this year's event saw several firsts – first time the event has returned to a city for a second time; first time run by a state association (not the national body); and the first running of National Teams and IRB Racing events.

While Australia took out the honours in the Open National Teams event, beating traditional rivals New Zealand, the Kiwis came back and had our measure in the National Youth Teams and IRB events. Thirty-five World records were broken in the pool.

Our Club sent over just three surf competitors – Tracey Shaw, Fi Carroll and good friend Alicia Anderson (who transferred down from North Cottesloe just for this event, so that our girls would be able to enter in teams events in the surf competition).

By the time Tracey and Fi arrived in Adelaide, Alicia had already claimed Bronze in the pool – in the 30-34 Female 200m Obstacle Race. An early 'speed bump' appeared when we found out that the so-called racing boards "reserved" for competition (consequently, we didn't transport our own boards across to Adelaide) had been rented out to overseas competitors. A bit of vigorous negotiation saw us able to rent one board and strike a deal with Club life member Michael Cook (competing for Trigg Island) to access a second board for the relays.

The Glenelg inshore water depth made for some interesting swim racing – in the mornings at high tide, the start line was just metres in front of the grandstand. By lunchtime, when the tide had moved out, it was a 90 metre run, 20 metre dolphin dive and five strokes to the swim cans ! However, everyone soldiered on in the bleak conditions, with our girls picking up a further three Bronze medals.

LWC Bronze Medallists - from left, Tracey Shaw, Alicia Anderson and Fi Carroll

Fi Carroll picked up a Bronze in the 40-44 Female Surf Race, after a contentious turn at the first can by an eastern states competitor was followed by an even more contentious overturning of her disqualification. Then Tracey Shaw and Fi teamed up to score a Bronze in the 40-44 Board Rescue, and all three girls came together to take Bronze in the 100-129 years Surf Teams Race.

A few days later, our IRB team of seven (comprising Kitty Eichner, Grace Keogh, Jess Leng, Bianca Jervis, Jack Palmer, Jake Silipo and team manager John Summers) travelled to Glenelg to compete in the IRB Racing.

In the heats, the girls picked up third in the tube rescue and progressed to the quarterfinals, and fifth in the single rescue and mass rescue. The boys came first in their single rescue heat (a great result), fourth in the mass rescue and progressed through to quarters in both. Their final result was a sixth in the tube rescue. Unfortunately, due to the strong competition (including competing against the team that competed as our national team), all our teams were knocked out in the quarters. Kitty reported that they had a blast and it was well worth all the training time.

We're very proud of all our Worlds competitors !

Fremantle IRB Racing team at Worlds

Devastation on the sprint track (above) and storage yard (below)

Then, after a wonderful first day training session in 30-degree temperatures on Glenelg Beach, the mother-of-all cold fronts blew through Adelaide that evening. Wind gusts up to 90 knots left tents on the beach smashed like dying spiders. Even a gear trailer in the compound wasn't spared, flipping and smashing a couple of skis. Storm surge saw the beach arena eroded and the sprint track flooded and washed out. So bad was the damage to one grandstand, it had to be pulled down. Temperatures reaching no higher than 15 degrees for the next few days saw t-shirts change to ski jackets.

# Junior Development Report

■ Ian McLachlan

Each season, our nippers participate in the Surf Education Program set by Surf Life Saving Australia. The program is aimed at producing our surf life savers of the future. The program aims to provide the best experience to all nipper participants, provide instruction and opportunities through activities, promote a team environment, sportsmanship and encourage physical and social development. The program was successfully delivered by our Age Group Managers to 566 nippers this year, with more than 90% of our nippers successfully completing the program and receiving their Surf Education certificates on our final day in March.

## NIPPER CAMP

Sixty-two excited nippers headed to Point Peron in February for a camp coordinated by Paul Whitby. Two nights and three days of nippers was enough for our newly minted camp leaders. Our camp leaders were satisfied that no emergency trips were required and more than happy to hand the kids back in one piece at end of the camp. Nipper camp was a great opportunity for the kids to bond with talent shows, leadership games and "spotto" forming a basis of friendly competition and an avenue for those "quiet" members of the nipper cohort a moment to shine.

## FAREWELL TO UNDER 13's

We also farewelled our U13's at the end of the season as they start the transition into the ever-growing Youth corps, where they will participate in a structured program released by SLSWA at the beginning of this season. At the commencement of next season, they will begin training for their SRC. A big thank you to our U13 Age Group Managers - Tracey Irving, Paul Whitby, Tim Gibbons and Penny Fegan - for their years of outstanding leadership and commitment to our club.

## WATER SAFETY

Our nipper program relies on our vital water safety personnel. For every five nippers in the water, we require one club member with a minimum of a Surf Rescue Certificate. Our water safety coordinator, Jay Morgan, ensured that we met this requirement and kept our nippers safe. A big thank you to Jay for his dedication and commitment and outstanding work this season.

## TWILIGHT NIPPERS

Our Twilight program was again a big hit, with the format for twilight nippers and Club beach Championships a hit with families. After the Club Championships were done, a few well-earned beverages and some food completed another beautiful night down at Leighton Beach. There were some tight finishes, with judges consulting iPhones and iPads to ensure the correct result was recorded in a highly competitive atmosphere, with sportsmanship high on the agenda.

*The Twilight format for beach Club Champs was a real hit !*

## STATE CHAMPIONS

For our U10 to U13 nippers, we had two metropolitan carnivals, one integrated country carnival, and the State Championships held in March with over 1000 competitors involved. Fremantle's strong showing of fourth place was a testament to the great effort by the nippers during challenging conditions and the efforts of the AGMs over the past season. As a club, we have continued to grow and become a great family club with a strong competitive team. A big thanks to the efforts of all the nippers, Age Group Managers, Officials and parents who contributed and made it to each of the carnivals to compete, manage and officiate for our club. A particular thanks to Neil Dickson who was an official at all our carnivals and coordinated surf sports carnivals for the nippers. Strong participation from our U8 and U9's in the Little Nipper competition has enabled our nippers and parents to get a taste of what is to come when they take on the junior carnivals in the coming years.

*So many State medallists from our U10's to U13's !*

*Eleven of our U13 received their Long Service awards*

### **SLSWA JUNIOR ACHIEVER AWARD**

Congratulations to Gabrielle Gibbons, recipient of the SLSWA Junior Achiever Award for 2019. The Junior Achiever award is a state-based award, where Fremantle can nominate one junior member from the U13's to receive this recognition. Gabrielle was selected on her outstanding attitude and sportsmanship amongst other qualities and her dedication to the sport of surf lifesaving.

### **LIFESAVER OF THE YEAR RECIPIENTS**

Congratulations to the following nippers who received this prestigious award for the 2018-19 season –

- U7 – Eva Lane / Geordie Davey*
- U8 – Torah Howe / Kobe-Jackson Peppin*
- U9 – Anais Proessler / Lucas Dillon*
- U10 – Hannah Morkel / Wesley Turnseck-James*
- U11 – Cassia Audeyev / Noah O'Hehir*
- U12 – Allegra Piaccia / Alexander Merry*
- U13 – Jess Stackhouse / Jonah Whitby*

The success of the 2018-19 season was made possible by our generous volunteers who give their time and have made enormous efforts to ensure that our nippers have the best possible chance at succeeding on the beach at carnivals, or both. On behalf of the club, our nippers and parent support group, thank you to all of Our Age Group managers who spent countless hours planning and running

our Sunday nipper sessions, to our water safety coordinator Jay and all of our water safety volunteers for keeping the kids safe. Each week our patrols and IRB teams provide relatively unacknowledged support, help and assistance to the nipper group. We have a great group of coaches and area captains who have offered their time, experience and support; Tony Bowers for the hours he puts into capturing magical moments on camera on the beach; Neil Dickson, our Junior Competition Coordinator. Again, this year our office administration team did an extraordinary job of providing administration support and additionally volunteering their own time to extra club activities to make sure that the season runs smoothly.

Finally thank you to all our nippers and parents. We are so lucky to have such an active and supportive parent group and we are looking forward to seeing you all back again next season.

*Junior Achiever, Gabby Gibbons*

*A big turnout of happy smiling faces at Nipper Camp*

# Youth Development Report

■ John Skipsey

As we start to put our feet up at the end of another season and finalise all of the awards, surf sports presentations and the like, it is a good time to reflect on the events on what was another great season for Youth. We started the season with an intense Bronze Course in the Term 3 school holidays, which a number of our Youth joined in to kick start their season of the beach off and running in a rush.

We welcomed the ever-enthusiastic and energetic John Marsh back as our Youth Manager for the season, along with Tony Watson, Kevin Netto and Andy Macintyre who returned for another season on the beach to help guide the Youth crew through their Sunday activities. A big task for such a small band of merry men, and it couldn't have been achieved without the support from many others such as Tracey Shaw, Tony Silipo and Ben Pink who joined in whenever they could to help out. The arrival of David Moody, Ken Cheney, Ben Clarke, and Maddy Stockden was very much appreciated when the U14's formally joined Youth once the Youth SRC course was completed.

This season, we had the largest group of Youth ever registered, as we reached 250 members from U14s though to U19s. Whilst not all of this group were on the beach in the Sunday Youth program, many were heavily involved in other areas of the club such as Surf Boats, Surf Sports, IRB Racing, Pool Rescue, Board Training, Beach Training, being AGMs for younger Age Groups and Lifesaving and Patrols.

This season, we had about 32 U14's from last season's U13 Nippers come back to the club and we welcomed 28 new members, most of which were giving surf club a go for the first time. With the group, we welcomed Ben Clarke, David Moody, Ken Cheney and Madeleine Stockden to the team of Youth Coordinators. The season for this group started with their SRC as always, which laid the foundations for the Youth SRC course comprising of 70 students which was completed prior to Christmas.

As we do each season, we continued to focus on ensuring that there were activities for our youth to come down and join in on at the beach every Sunday. The activities ranged from fitness, lifesaving skills, surf sports to general fun activities such as volleyball and the like. The ever increasing challenge faced was to keep it interesting, and a highlight of the season was certainly when the IRB race crew came down and got our Youth involved with starting the training. Learning to use the Skis was also an activity which everybody involved seemed to enjoy.

We had a number of members step up to become our Youth Captains for the season - they were Clara Moody, TJ Chong Sue, Meesha Rothnie and Nick Dart for the U17's, Phoebe Ashworth and Kelton Rothnie for U15's and Jack Hadley and Maeve McKenna for U14's. These youth leaders gave us great feedback throughout the season and were coming up with ideas in ways we could improve the Youth program.

We held a Youth Sleepover, which tied in with the beach Club Championships and a DJ being at the club. The 40 kids who came down to stay the evening had an awesome time just hanging out together, and it was great to see them all doing the 'Macarana'. A big thanks to Caitlyn Rothnie, Tracey Duffy, John Skipsey and David Moody (who came straight from the plane interstate to help out) for volunteering to stay the night. A highlight was the absolutely

*Phoebe Ashworth presented with the SLSWA U15 Youth Achiever award by SLSWA President Craig Smith-Gander*

beautiful morning at the beach which we woke up to, with many going for a paddle, with some getting a surprise visit from a few dolphins as they cruised past. We also had a Youth Big Breakfast where the Youth got to enjoy a catch up and a breakfast as part of their Youth activities. Next season we plan to build on these activities to give our Youth plenty of chances to catch up and have a lot of fun.

As many would be aware, each season we also have the challenge of selecting a few members who have been outstanding in their efforts throughout the season for the annual Youth Achiever, and Youth Encouragement awards. As always, with the huge amount of effort, commitment and fantastic attitude that many of our youth display on a daily basis, it was a challenge. Eventually after late nights and much discussion, the following were selected:

*U15 SLSWA Club Achiever Award – Phoebe Ashworth*

*U14 Youth Encouragement Award – Jack Della Marta*

*U15 Youth Encouragement Award – Jason Dean*

*U17 Youth Encouragement Award – Sienna Ashe and Ethan Shaw*

*U19 Jason Shortte Memorial Trophy – Amber Kinnane*

Once again, we had some Youth attend the SLSWA Annual RISE UP and TOAD camps. With such a group of awesome kids, we had great

*From left, Jack Della-Marta, Jason Dean, Sienna Ashe, Ethan Shaw, Amber Kinnane*

## Youth Development Report (cont)

difficulty selecting candidates this season, and whilst we nominated more, SLSWA limited the places, so we had Jack Hadley, Johann Szymanski, Maeve McKenna and Lily Stackhouse from our U14's go to TOAD, while Zac Evans, James Currey and Lily Skipsey went to RISE UP. As for last year, the camps were held at Rottneet for TOAD and Pemberton for RISE Up and from all reports, a fantastic time was had by all.

*The RISE UP squad*

It was also another big season in the Surf Sports arena with a large number of our very committed youth attending the increasing number of training opportunities provided at the club to develop their skills and then compete in the broad range of surf sports competition that was on offer. We had a large number of competitors participate in Pool Rescue, Surf League, Senior Carnivals, Ocean Swims, State Champions Ships, Aussies, IRB, Surf Boats, State Teams and the various other events nationwide. The list of those who participated and received recognition and medals is included in the back of this report. A big thanks to all of the Surf Sports team who have volunteered a lot of their own time to provide multiple training and coaching session to assist our Youth with improving their skills.

Planning for next season is already underway, with a focus on improving our understanding of what our Youth want, and making sure that we continue to provide relevant, interesting and fun activities every Sunday on the beach that help us retain and develop our Youth into Senior members at the club and support them as they themselves develop into young adults.

Finally, a huge thankyou on behalf of the club to all those who have volunteered and helped out throughout the season to make the Youth program happen. From Marshy and the team of Youth coordinators, the coaches and surf sports trainers, the trainers and assessors, the admin team, and all of the parents, Seniors and Youth who volunteered to support the various events throughout the year, whether it be for setup, water safety or the like. Most importantly, thanks to all the Youth who come down each week and participate in the various activities at the club. Even if you can't make it down to Sunday Youth, we hope that you are getting down to the club and enjoying participating in the lifesaving, training, surf sports, AGM'ing and various other activities going. It is always great to see your faces on the beach and we hope to see you all there next season as we work to make next season better again for you all.

# Social Report

■ Zoe Jaques & Jette Oksis

*'There are no strangers here, only friends you haven't met yet.'*

Remantle Surf Life Saving Club is growing, with people that love the beach, who are pushing to achieve personal goals, parents who want their kids to be involved in Nippers and people volunteering for patrols. Whatever the reason, we have so many things in common and one of those is getting together and having fun. Social events are great opportunities to relax with old friends and make new ones as well as welcome all the new members we have at the club. Sing a long as we look back at all the good times we had.

*'Under The Sea' evening kicked off the social year in a big way*

## ***In an octopus' garden ...***

The season started with a SPLASH in October, as members old and new joined for a great night 'Under the Sea.' Around 200 people attended and danced and sang with a karaoke machine belting out some fine tunes. The most spectacular of costumes led to an array of creatures with the sea meeting the dry land which brought the club to life. Stand out costumes go to the Morgan and Gleeson families whose time and effort was truly outstanding!

## ***This is the monster mash ...***

The IRB team hosted a ghoulish night of pumpkins and werewolves and everything in between late in October. Costumes were spookily creative and the atmosphere chillingly groovy. 120 ghosts and goblins and other fantastic beasts rocked up for the lollies and food with a special mention to those that created some eerie pumpkin carvings! Well done to Kitty and the IRB Team for such a spectacular night.

*Ghosts and goblins and ghouls, oh my !*

## ***I'm dreaming of a white (beachie) Christmas ...***

The annual club Christmas party sure was a Christmas shared with the broad surf club family. The scrumptious Christmas buffet went down a treat with no one leaving with empty bellies. The kids had a great time on the bouncy castle, parents relaxed and everyone was jolly, which was the perfect festive wind-down of the 2018 club

year. A special mention to Santa who took time out from the North Pole to pay a visit to the friendly folk of Freo!

## ***Don't stop believing ...***

Australian Adventurer of the Year, Steve Plain captured hearts and minds as he spoke to all eager State competitors ready to make their mark at the Players Tea. Inspirational in his comeback from a debilitating injury, Steve went on to conquer the highest peaks in seven continents in his Project 7 in 4. Steve achieved his goal despite his recent broken neck, formidable weather and never having previous mountain climbing experience. Steve smashed the world record and used his project to highlight Surf Life Savers and the valuable role they play in saving lives and reducing risks at our beaches. Many touching lessons for all who attended including that we all can achieve our dreams if we just keep going 'step by step'.

## ***You're never too old to be young..***

The Masters may rock the greyer hair and the laughter lines, but showed their youth and vitality after a successful day in Sorrento in May for the Masters State Championships. The good old tunes and amazing food kept Masters and their awesome supporters in celebratory spirits. New and familiar (not old) faces, more medals and lots of great comradeship made for a great day and fun night at the club.

## ***With a little help from my friends..***

The Volunteers Sundowner was another event to celebrate the Admin team, Officials, Water Safety, Managers and AGMS, photographer Tony Bowers, Canteen, Uniform managers and many more for their commitment, time and effort given to help make our club the fantastic place it is. As a volunteer club that keeps getting bigger, all those who help and continue to make our Club a great place to be are valued. The Volunteers shared a casual evening grazing and sipping thanks to the Board.

*Putting on the Ritz for the Annual Dinner*

## ***This opportunity comes once in a lifetime..***

It's a wrap. The final social event of the season was the Annual Dinner, a night of glamour. The awards read out celebrated the achievements of many club members who have excelled in competition and also others who have contributed many hours to the club. The dance floor at the Swan Yacht Club was the centre of the action for most. Lots of laughs, great food and the memory we all have to live with, the Boaties line dance.

A massive thank you must go out to all members that supported the social aspects of the club this past season. From spreading the enthusiasm of events, to all that attended and to all that volunteered their time to make the events such a success. Again, thank you.

# Director of Surf Sports Report

■ Jack Dowie

The Surf Sports Team inclusive of the Manager, ten committee members, Coaches, Officials, our Admin team, our Social Committee and of course many clubbie volunteers are quite amazing in what they do for our athletes and the club. This year was no exception.

Two of our long-term Surf Sports committee members decided to take a well-earned break this season - Jon Standing (six years as Director Surf Sports) and Martin Jackson (seven years as Board Captain). Their contribution within the Club was and continues to be outstanding.

Individual Surf Sports discipline reports highlight and recognise individuals and teams who have performed exceptionally well over the season. To those members who achieved National and State awards, we think you are amazing and hope you will continue to strive to maintain or even top that level in the new season. Most importantly, every single member who trained or competed at the club, or for the club, this season should give themselves a pat on the back and start thinking about their goals for the 2020 season.

The winner of this year's Ron Bennett Medal, for the best performance by an individual or team at a State Open Championships, went to our Masters Captain, Fi Carroll. Fi had an outstanding year in Masters competition, starting off with five gold and three silver medals at the State Pool Rescue Championship and contributing significantly to our Club's overall success at that event. She followed that up with two gold medals at the State Endurance Championships held at Sorrento. And then most recently, Fi picked up another four gold medals at the Masters State Surf Championships, also back at Sorrento.

Other worthy contenders for the award included Harrison Hynes picking up five gold and two silver medals, TJ Chong Sue five gold and one silver, and Kelton Rothnie four gold and one silver at Senior Pool Rescue States; Tracey Shaw picking up four gold, one silver and one bronze medal at Masters States; and Kalani Chong Sue six gold and one silver and Thomas Dreverman five gold and two silver at Junior State Pool Rescue.

In my view, this season was full of team spirit and most, if not everyone, who trained and competed at any level enjoyed themselves, an important 'tick' our Club values.

From a management perspective, the club performed close to the expectations of our Strategic Plan. Surf Sports development is a constant challenge every year. However, we are seeing an upward trend in competition now and this year was boosted by a few additional Coaches and Officials.

Intra-club competition participation was huge this season, but participation at inter-club competition, including States, was down in numbers, particularly within Youth and Seniors. It should be noted of course that despite low numbers competing, the standard remained high so that our club ranking overall remained constant from the previous season.

Equipment was available to competing members throughout the season, as usual. Unfortunately boards and skis took a beating and repair costs have been higher than predicted. The Committee is currently looking at options to keep equipment secure and prevent damage for the coming season. Members were reminded at training of these costs to the Club - in round numbers, a board costs \$2000 and a ski \$3000 to replace.

Water safety, like Officials, is one of those things that if you don't provide them, your club can't compete. We came close a couple of

*Fi Carroll (left) presented with the Ron Bennett trophy by last year's winner, Tracey Shaw*

times this season and if it wasn't for a handful of regulars in the IRB Team we may have not raced on the day.

In the end, everyone who volunteered for something this season contributed to Fremantle being a club where everyone can have a go and, if they want it, have the opportunity to perform at a high level within Surf Sports. Going forward, the Club's plan is for Fremantle to be one of the 'top four' competitive clubs in WA. We are currently sitting around fifth or sixth.

The Surf Sports Team at Fremantle has what it takes to meet our plan, but it will take some time and a little patience. The importance of keeping the Nippers engaged in competition when transitioning into Youth and Seniors is a big focus. To achieve this, coaching skills will need to be enhanced by the introduction of performance coaches within some disciplines, equipment needs to be maintained and available to members and of course the athletes need to show dedication and obviously put the time and effort in to be rewarded.

And in recent news, we have learned that two of our competitors, TJ Chong Sue and Harrison Hynes, have been selected in the Australian Youth Lifesaving Team to compete at the Lifesaving World Championships in Italy in 2020- congratulations TJ and Harrison !

*Harrison Hynes (left) and TJ Chong Sue*

# Beach Captain Report

■ Erin Jameson

Season 2018-19 was the beginning of a new squad and has been a great success. With training kicking off in September, a coaching session with Jackson Symonds inspired the Seniors to kick start the season. This was followed by an introduction of a grass and beach training session held by Jarrod Ng, who has been a role model for many of our young senior members and new squad members.

In all carnivals, we had a great turn out and picked up podium places at the senior carnivals - in particular, Carly Pizzuto placed an overall second place in the SLSWA senior 2km series (winning \$75) and Alex Winner placed first in the beach sprint and beach flags (winning a \$200 Engine voucher).

The State Championships beach events were very successful for Fremantle, having the most competitors over all ages groups and events.

In the Juniors, Alexander Merry picked up a gold in the U12 1km run, and bronze medals were won by Jordan Krieser in the U12 flags, Kalani Chong Sue in the U12 beach sprint and Eben Prinsloo in the U13 1km run.

*Lily Stackhouse pushing hard to take bronze for the U14 flags*

Elliott, Kevin Housham), Marcin Gabriel in the 40-44 flags, Ben Clarke in the 45-49 flags and David Carbon in 45-49 beach sprint). Then, silvers for Cherie McLachlan in the 40-44 flags, 2km run and beach sprint, Maryann Kelleher in the 50-54 beach sprint, Jack Dowie in the 55-59 2km run and Kevin Housham in the 55-59 beach sprint. And, bronze medals for 170+ beach relay (Ben Clarke, Marcin Gabriel, John Marsh, Jay Morgan), 200+ beach relay (Pip Hawson, Cath Morgan, Tracey Shaw, Jacqui Sydes), Anne-Marie Nunes for the 30-34 beach sprint, Caroline Watson for the 35-39 beach sprint and flags, Jette Oksis for the 40-44 2km run and Marcin Gabriel for the 40-44 beach sprint.

Special congratulations go to Jack Hadley and Ben Clarke for representing Fremantle in the Flags and Sprints events at Aussies.

Season 2019-20 training has already begun, with a gym session and fitness and plyometric sessions every week in the off-season. When it starts to warm up and the winter sports have finished, we will be adding in some additional training sessions. We are very excited for the upcoming season and seeing so much enthusiasm from a wide range of members in the club.

This season wouldn't have been able to be happen without our amazing volunteers - Jarrod Ng, Jack Dowie, Mark Housham and Dave Carbon for their expertise throughout the season.

*Ben Clarke picked up gold in the 45-49 flags*

*Our 170+ female and 200+ male beach relay teams won gold medals*

In the Seniors, we picked up only one medal, a bronze for Lily Stackhouse in the U14 flags, but then a string of placings - fourth placing for Lily Stackhouse again in the U14 beach sprint, Johann Szymanski in the U14 2km run, Alex Winner in the U19 beach sprint and the Youth beach relay team (Lily Stackhouse, Harriet Reeves, Ruby Fegan and Arabella Marsh). And a couple of fifths for Ruby Fegan in the U15 flags, Harriet Reeves in the U15 beach sprint and the U17 female beach relay team (Clara Moody, Sienna Ashe, Amy Browning and Meg Rawlings).

Our Masters continued their exception performance on the beach over the last couple of years. Gold medal results for - the 170+ female beach relay (Fi Carroll, Maryann Kelleher, Cherie McLachlan, Anne-Marie Nunes), 200+ male beach relay (David Carbon, Jack Dowie, Matt

# Board Captain Report

■ Tony Watson

First and foremost, I would like to thank those that have been in attendance, organised and taken Board training for the six months that was the Summer Season - Matt Elliott, Craig 'Ashie' Ashworth and Martin Jackson. Thank you - your contributions are valued and appreciated! Being a part of Board's is like being part of a family. Across the summer, it is the best way to start a Tuesday or Thursday! The weather and conditions can be good, bad or otherwise. Irrespective we hit the water, we trained for the most part, as hard as we could. This year, those that attended were broken into three groups - one targeting athletes focussed on performance, one for those beginning and interested in fitness and skills development, and Nippers, looked after by Ashie. Across the three groups, skill levels, fitness and development continuously improved.

Where competition is concerned, Nipper and Youth athletes continue to be better than competitive, enjoying good levels of success at Carnivals and States. A challenge for the Club generally, will be the retention of as many Junior competitors as possible, enabling Fremantle to enjoy greater representation at the Youth and Senior levels. Whilst individuals focussed on competing will continue to do so, it is hoped participation generally will provide the foundation for more sustained levels of team participation over the next three to five years. At the Masters level, competitor numbers continue to grow, growing team numbers and success. To conclude, I would like to thank the Board and the Surf Sports Committee for the equipment we use and its maintenance!

Amber Kinnane (above) and Finn Hussey are Open Board Club Champions

Tracey Shaw (left) and Fi Carroll took Bronze in Board Rescue at Worlds

Nick Dart and Finn Hussey picked up a Bronze Medal in U17 Board Rescue at States, watched by Jonny Kay and TJ Chong Sue in fourth

U13 Board Rescue States gold medallists Jess Stackhouse and Gabby Gibbons (left) with bronze medallists Ava Forrest and Lexi Menin. Jess Stackhouse also picked up a gold medal in the U13 Board Race

# Swim Captain Report

■ Craig Ashworth

Our swimmers can be proud of their achievements this year in the Ocean Swimming disciplines - we had plenty of success across an array of different events on both the SLSWA Calendar as well as the Swimming WA Open Water Swim Series.

## SLSWA ENDURANCE CHAMPIONSHIPS

Eleven athletes competed in the Endurance Championships, and some stellar performances saw us bring home two Gold (Tracey Shaw and Fi Carroll), three Silver (Phoebe Ashworth, Mark Lewis and Jette Oksis) and one Bronze (Brad Ravenscroft). Special mention to Finn Hussey, Kate and Luke Collins, James Currey and Pat Dart for making the finals.

## SLSWA JUNIOR/SENIOR CARNIVALS

Another great season with plenty of good results across the Individual Surf Races as well as the Surf Teams events. Our Junior and Youth Competitors where the standout performers across the board. Phoebe Ashworth backed up successive top-two places in the individual races to see her take out first place in the U15 female progressive points score at season's end.

## SLSWA STATE CHAMPIONSHIPS

For the first time in a while, we managed to put together some teams for the Open Rescue Tube Rescue, with our male team (comprising all U17 competitors) taking out sixth place.

In Surf Race events, Sienna Menin, Jack Della-Marta, Liam Pizzirani and Johann Szymanski all made finals. In the U15 female, Phoebe Ashworth and Ellie Fry picked up a Bronze medal and a fifth place respectively in a close finish. Kelton Rothnie and Archie Davis took out fourth and fifth in the male event.

In Surf Teams events, the U17 male (Nick Dart, TJ Chong Sue, Finn Hussey and Jonny Kay) and Youth Girls (Phoebe Ashworth, Ellie Fry, Maeve McKenna and Sienna Menin) picked up Silver medals each, whilst the Youth Boys (Pat Dart, Kelly Rawlings, Archie Davis and Jack Della-Marta) nabbed a Bronze.

*Our Youth Female Surf Team (from left, Maeve McKenna, Lexi Menin, Ellie Fry, Phoebe Ashworth) picked up a Silver medal at States*

Next, our Masters team headed up to Sorrento and bought home a swag of medals in both team and individuals. A Gold went to the 130+ female team of Jette Oksis, Fi Carroll and Tracey Shaw, whilst Ben Clarke, Matt Elliott and Brad Ravenscroft followed suit in the male event. The 150+ female team of Pip Hawson, Emma Moir and Jacqui Sydes grabbed a Bronze medal as well.

In Surf Race events, Fi Carroll won gold and Tracey Shaw a silver, while other points winners were Tony Watson, Emma Moir, Ben Clarke, Pip Hawson and Jette Oksis.

Next up was our biggest group in the Juniors - they are absolute guns and will put the club in good stead in the coming years.

In the individual Surf Races, we had eight swimmers finish in the top ten, with two of them bringing home medals (Jemima Paterson earning Silver in the U10 female and Kalani Chong Sue Bronze in the U12 males). The remaining top ten finishers were Nikolay Dwyer, Eddie Davis, Poppy Rawlings, Thomas Dreverman, Marc Dickson and Eben Prinsloo.

In the Surf Team events, we managed to collect four medals in total with another three teams making top-eight. The U10 females (Niamh Dickson, Evie Lila Hussey, Hannah Morkel and Jemima Paterson) took Bronze, U13 male (Nick Collins, Jake Gooding, Eben Prinsloo and Jonah Whitby) and female (Imogen Ashworth, Gabrielle Gibbons, Lexi Menin and Ava Forrest) teams finished with Silver each. The outstanding team effort went to the U12 males (Kalani Chong Sue, Thomas Dreverman, Liam McGuigan and Marc Dickson) who bought home a hard-fought Gold Medal.

*130+ Masters Female Surf Team (from left, Tracey Shaw, Jette Oksis, Fi Carroll) won Aussies bronze at Broadbeach*

## SLSA AUSTRALIAN CHAMPIONSHIPS

Eight athletes and their support crew headed over to the beaches of the Gold Coast to take on Australia's best in March/April - four Youth and four Masters donned the blue and gold cap.

In the Youth Area held at North Burleigh, our best performer was Archie Davis who finished 17th in the Surf Race Final. On the Sunday, the 'water babies' lined up to have a crack at the 2km Open Water swim, with Archie Davis a creditable sixth in the U15's, Johann Szymanski seventh in the U14's and Phoebe Ashworth eighth in the U15's.

Up next to the Masters arenas at Broadbeach, our girls bought home a couple of medals and managed to make most of their finals. In the 130+ Surf Teams event, Fi Carroll, Tracey Shaw and Jette Oksis finished with a well-deserved Bronze medal.

## SLSWA SURF LEAGUE

It was a great moment to see Fremantle Field a team in each of the three Surf League Rounds. We used this event as an opportunity to give our younger competitors (James Currey, Amber Kinane, Jonny Kay, Kate Collins, Phoebe Ashworth, James Currey) the chance to stand up and compete against WA's best Open competitors.

## FREMANTLE OCEAN CLASSIC

This is a great event run by our Club, covering a range of swim distances from 500m, to 1600m and 3200m. Club swimmers excelled, with placings going to Finn Hussey, Poppy Rawlings, Charlotte Broad, Tracey Shaw and Ben Clarke in the 1600m. In the 3200m event Archie Davis managed a lone first place. In the 2km teams event, the top four relay teams where all from our Club - "Just in Time", "Fremantle Masters", "FOC...Yeah" and "Freo Four".

# Pool Rescue Report

■ Craig Ashworth

This year, SLSWA split the overall Championship Points on offer and made Pool Rescue a standalone State Championship Event. Fremantle, with its great depth of swimmers all the way from Juniors through to Masters, competed valiantly to take out the Inaugural Pool Rescue Championship Trophy. This is a great achievement and testament to our competitors, coaches and supporters who pulled together to win this prestigious first trophy.

We had a strong and reasonably large contingent of Swimmers in the Junior and Masters divisions, but our numbers were a bit light on in the Youth and Senior ranks. That said, those who competed did so to the best of their abilities and made a valuable contribution to the total points score.

*Aussies Pool Rescue medallists - from left, TJ Chong Sue, Tracey Shaw, Harrison Hynes, Craig Ashworth and Kelton Rothnie*

Overall, as a club, we finished with a grand total of 576 points, 56.5 points clear of second place Trigg Island. Dissecting the points tally in different ways, we can see the contributions from every one of our various teams -

- Overall Female – 211 points (2nd)
- Overall Men – 365 points (1st)
- Juniors Male and Female - 215 points (1st)
- Seniors Male and Female - 167 points (equal 2nd)
- Masters Male and Female - 194 points (1st)

Many competitors earned vital points for our Club in their respective events, but to achieve such a great finish, there had to be some standout performances, which resulted in a record medal haul. In total, we finished with a total of 89 medals, made up of 40 Gold, 23 Silver and 26 Bronze. The list of medal winners is just too long to list here, but can be seen in the Appendix towards the end of this report.

At completion of the Championships, the Western Suns Pool Rescue Team was announced, with three of our members being rewarded for their success at the State Championships - Harrison Hynes (U17), TJ Chong Sue (U15) and Kelton Rothnie (U14). Tracey Shaw was also called on to represent the State in the Western Suns relay teams after the withdrawal of another competitor on the day of the Australian Pool Rescue Championships.

The Australian Pool Rescue Championships were held in Adelaide, and we had seven competitors make the trip over. It was a very successful Championships for our Club, bringing home 20 medals, comprising nine Gold, nine Silver and two Bronze. Standout performances were -

- TJ Chong Sue - six Gold, one Silver
- Tracey Shaw - two Gold, three Silver
- Harrison Hynes - one Gold, three Silver
- Craig Ashworth - three Silver, two Bronze
- Kelton Rothnie - two Silver

In the Interstates events, WA improved to take third position behind NSW and Queensland (who tied for first place). Outstanding results from the WA Teams in which Fremantle members competed saw six First Places, one Second and one Third, as well as TJ Chong Sue setting four new Australian records. The highlight of the Championships, however, was seeing Mike Shaw enter the pool and bring home a Silver Medal with Craig Ashworth in the Line Throw - his first, last and only Pool Rescue event ever!

*A fantastic contribution from all age groups - Juniors, Seniors and Masters, seen here proudly holding the inaugural Pool Rescue Championship Cup*

# Ski Captain Report

## ■ Annabelle Standing

Our Fremantle Ski Paddlers trained hard and performed well in the 2018-19 season. We had high numbers of open, masters and young paddlers at training throughout preseason and leading into summer, with new paddlers stepping up and our experienced athletes leading the way.

This year we saw high numbers at training from our U17 paddlers, which was reflected in our States numbers with a large number of athletes racing. The U17 men won a bronze medal in the ski relay and achieved placings in other team and individual events. Our U17's performed very well this season and we look forward to what results they can achieve in the future.

*Matt Housham's silver medal style at States*

In the open category we had athletes competing throughout the season, which was great representation of Fremantle. We fielded a ski and taplin relay at the State Championships, which is fantastic due to the number of competitive athletes required for these two events. A standout result at the State Championships was Matthew

*Zan Gamble winning the Masters skis at Club Championships*

Housham winning the silver medal in the U21 male single ski, well done Matt!

Thanks to our coach Jon Standing for your hard work and support this season. Thanks also to Guy Power for the training programs and Kevin Housham for his support in running the training sessions. Most of all, thanks to the athletes who trained and raced this season, good job guys. Bring on next season!

*Open Club Champions —Annabelle Standing (above) and Mark Housham*

# Surf Boat Captain Report

■ Nick Palmer

The focus on youth was maintained this year, with excellent numbers involved in preseason strength and conditioning and rowing coaching using the rowing ergometers. The club provided funding again for strength and conditioning and rowing coaches which has been invaluable for new rowers.

The Albany Surf Craft Challenge held on the long weekend in June is becoming a regular event on the rower's calendar. Two of our women's crews competed, finishing second and third in the Open Women's division, an outstanding effort.

Waves were in short supply this season, with the exception of the country carnival at Denmark where excellent surf provided exciting racing and a memorable weekend for rowers.

This season short course surf boat racing was introduced as championship events at the State and Australian Titles which was warmly welcomed by surf rowers.

## Competition

Minnows – U19 Women: Sweep Colin Duffield, Sascha Martin, Daisy Trang, Tessa Miotti and Katie Grayson. Grace Keogh also trained and competed but was unable to make the State Titles. After a slow start and change of personnel these women gained confidence and experience attending several carnivals during the season. They had great success at the State Titles with a bronze medal in the Short Course race, following up with a silver in the Long Course race. A wonderful effort as a result of their hard work.

*Minnows take silver medal at States*

Scallywags – Reserve Women: Sweep Nick Palmer, Bec Brook, Maddie Shaw, Sherrie Robson and Bianca Valencia. Jess Klessens and Nicola Rutty started with the crew however were unable to continue to the end of season. The crew regrouped late in the season and showed great promise at carnivals, competing at the

*Scallywags*

*Forgers earned bronze at States*

State Titles and finishing sixth in the final of the Reserve Women. Great promise for the future.

Forgers – Reserve Men: Sweep Darren Miller, Jake Silipo, Pat Horne, Nick Wilson and Sam Wichmann formed after Christmas. After several attempts at creating an U19 crew, Darren settled on a mixture of youth and maturity, Jake and Sam provided the experience combining with two new rowers in Pat and Nick. And what a great season they had rowing with courage and determination at Denmark in big surf and capping the season with a bronze medal in Reserve Men at the State Titles.

*HCM took home gold in the 200+ Masters*

HCM – Reserve Men: Sweep Colin Duffield, Andrew Halsall, Nick Palmer, Dean Davidson, Dave Gunther, had a great season working with Bob Myers while he gained his sweep accreditation. Dylan Ewart also competed with the crew but work commitments prevented his involvement at season's end. The crew rowed at State Titles, but missed out on making the finals. Success was had at the Masters State Titles with a gold medal in 200+ Men.

Fajitas: Open Men: Sweep Ben Gleeson, Andrew Robson, Liam Burke, Alec Vukovich and Jack Palmer. With one change of crew from last year this crew is the stalwart of rowing at Fremantle, a

*Fajitas' collect their silver medal at States*

shining example of grit and determination. A highly competitive season culminated in a silver medal in the inaugural Short Course Surf Boat race and fourth in the Long Course race. Another outstanding year from the Fajitas.

#### Most Improved Rower

Tessa Miotti showed the way early with a dedicated preseason in the gym which lay the ground work for her role as part of the engine room in her crew. Always positive and eager to learn, her strength and rowing skills improved rapidly throughout the season. A role model for her crew and all rowers.

#### Boat Person of the Year

Bob Myers gained his sweep accreditation early in the season and took to improving his skill and technique through practice, requesting feedback and always enquiring. With a keen eye, enthusiasm, vigour for coaching and pithy comments he has assisted a number of rowers with stroke correction, technique improvement and attitude adjustment. A positive energetic force, continually

demanding more from himself and others while always available to assist with rowing or maintenance.

#### Handicap Surf Boat Race

Five crews competed fiercely for the Lindsey Sojan trophy this year.

The winners of the Handicap Surf Boat Race were Colin Duffield (sweep), Jake Silipo, Alec Vukovich, Spencer Cranston and Katie Grayson.

#### Officials

Once again, our invaluable officials, Greg Whipp and Peter Wyburn came to the fore. All our rowers appreciate their involvement and

recognised that with a small presentation made to them at the rowers' end of year windup. Thank you Greg and Peter.

#### Sponsors

Our Board of Directors approved the purchase and award of a framed presentation to Alex Bajada and Larry and Margaret Tilbury

*Larry and Margaret Tilbury receive their award from Nick Palmer*

as our major surf boat sponsors. Their kind donations have ensured our equipment is of the highest quality and suitable for competition.

#### Special Mention

Thank you to Tony Silipo and Karen Carmody for their support, BBQ's, breakfasts, driving, carnival pack up, coffees and the use of their house for our end of year windup.

Our culture and competitive edge have improved again this season with excellent numbers rowing and terrific results at the State Championships. Training has stepped up a level while camaraderie and sheer enjoyment has been evident throughout all crews and supporters. It has been wonderful to see our rowing community expand and develop with parents and friends attending and becoming involved our passion – surf rowing.

# Masters Captain Report

■ Fi Carroll

It has been another action-packed and successful season for the Freo Masters! The season opened with the Pool Rescue State Championships. We had so many Masters teams competing which really helped Fremantle get over the line and take out the Inaugural Pool Rescue Trophy. It was a great atmosphere around the pool and there was huge excitement with the announcement of Fremantle being the Championship Club.

Pre-season training commenced in September in readiness for "The Worlds" at Glenelg Beach in Adelaide. What we didn't know was that we were going to be competing one day in 35 degrees and the next day in 10 degrees, I don't think we have ever experienced such cold weather whilst competing!!! Tracey and I finished the competition with blue lips and goose bumps and our Manager, Mr Mike Shaw, had emptied out the merchandise tent of all their warm jumpers and wet weather gear in size XXXXL !!! It was a wonderful experience and we were thrilled to bring home three bronze medals and very content to celebrate with some beautiful wines from the Adelaide Hills and McLaren Vale.

Early in the season, we had a big group of new Masters complete their Bronze Medallion course with our Special Master himself, Dave Carbon. Many of them were keen to compete and trained hard over the summer months to prepare themselves for the State Masters in March.

After much training on the sand and the ocean, the Masters State Carnival rolled around and what a great competition it was. The Freo Masters were unstoppable on the sand, finishing second overall!! We did an outstanding job in the beach relays with no disqualifications and no dropped batons and everyone - I mean everyone, even 'Wato' - had a run!! There were some outstanding results with the 200+ Male Beach Relay team (comprising David Carbon, Jack, Matt and Kevin) winning

*Craig Ashworth, Tony Watson, Matt Elliott, Tim Gibbons, James Birkmanis, Jodie Pink*

We also had some great results on the water. Tracey, Jette and myself took out the gold in both the 130+ board relay and the surf teams race and our fellow female team, comprising Jacqui, Emma and Pip, won bronze in the same events in the 150+ category. It was great to see both female teams medalling in the team events! In the male arena, Ben, Matt and Brad claimed the gold medal in the 130+ surf teams race. There was also a lot of individual success throughout the day.

*Jay Morgan, John Marsh, Marcin Gabriel, Ben Clarke, Martin Jackson, Kevin Housham, John Marsh, David Carbon*

Most of the Master "Water Babes" hit the sand for States this year, so the pressure is now on for the "Beach Babes" to hit the water for States 2020 (your training regime starts now!!!).

I am always inspired watching Masters competing for the first time at States. I see their nerves on display early in the day and then experience their joy as they settle and begin to enjoy the competition and the team camaraderie. And the best thing for me is that they always come back for more!

The next stop for a small group of Masters was Kurrawa Beach, on the Gold Coast, for Aussies. The swell was up and the current was strong but Tracey, Jette, Ben and I all gave it our best shot in very challenging conditions. It was extremely exciting to win a bronze medal in the Surf Teams Race and see Jette claim her first Aussie medal. Another excuse for a big celebration!!

A big thank to our board coach, Matt Elliott (a Master himself), who started coaching early in September to prepare our Worlds competitors, continued training the Fremantle Seniors and Masters through the summer months in readiness for States and then coached us through to Aussies in April. Your support, guidance and commitment throughout the season is amazing and very much appreciated.

*Beachies Jack Dowie, Maryann Kelleher, Jette Oksis, Marcin Gabriel, Martin Jackson and Ken Ringrose*

gold, followed by the female 170+ team (made up of Maryann, Anne-Marie, Cherie and myself) also winning gold. A highlight would have to be the 200+ female beach relay which was made up of a few competitors running together for the very first time (awesome job Trace, Pip, Jacqui and Caz!!). They gave it their all and took home the bronze!!

*In the surf, Jon Standing, Emma Moir, Jacqui Sydes, Matt Elliott, Brad Ravenscroft, Ben Clarke*

It is a privilege to captain this wonderful group of Master athletes and I'm excited about what we can achieve in the 2019-20 season.

BRING IT ON!!!!

# IRB Captain Report

■ Kitty Eichner

The 2018-19 IRB season has been another great year for the Fremantle IRB Team. Despite strong competition from other clubs, our IRB racing team have shown great resilience and dedication to improving the sport. Across the state IRB racing has increased in popularity in recent years, with more and more clubs competing each year. I am proud of the progress our Racing Team has made this season in regard to skill development and it is our Trainers and Coaches who can take credit for the high level of skill and racing that Fremantle exhibit. Thank you to Head Coach John Summers and Trainers Jodie Pink, Ben Pink, and Jess Klessens for their endless support over the season.

IRB competition is about so much more than just the medals we take home at the end of the season. The simulated rescue scenarios allow competitors to put their skills to the test, it brings crews together to discuss and improve IRB techniques and operations, and it promotes safety awareness techniques for the crew and patients. For this past season, the Fremantle IRB Leadership Team had a focused goal of youth development and it is great to see so many new faces at our training sessions. As the Team welcomes new members, we are excited to see so many more blue and yellow caps on the beach and in the boats.

IRB Person of the Year, Jack Palmer (right), with John Summers

Fremantle competitors at the Lifesaving World Championships at Glenelg

A highlight of the 2018-19 season for the IRB Team was competing at the Lifesaving World Championship in November last year. A small but determined team consisting of John Summers (Coach), Kitty Eichner (Captain), Jack Palmer, Jake Silipo, Grace Keogh,

Bianca Jervis and Jessica Leng, travelled to Adelaide to represent Fremantle on the world stage. Despite fierce competition and delayed racing due to a very shallow bank, Fremantle raced exceptionally well. Unfortunately, we came home without medals, but we were not empty handed. The experiences we had and the level of competition we witnessed were unlike any other and to have the opportunity to compete at an International level in the sport we love was incredible.

Female Teams Silver Medal winner "Starfish" (Kitty Eichner, Jess Klessens, Jess Leng, Jack Palmer, Ben Pink, Sheri Robson)

The IRB Person of the Year award is presented annually to a member of the Fremantle

IRB Team for extraordinary contribution to the sport in a number of areas. The award honours an IRB person who embodies commitment and dedication to the team whether it be through racing, patrols, water safety or education. Our IRB person of the year for the 2018-19 season was Jack Palmer who epitomises all of the characteristics we expect of an IRB leader. Jack has raced for a number of seasons, brought home a swag of state medals and contributed a large number of points to the team. He has taken on the role of a trainer and has assisted in training up both new crews and drivers. He has also spent an enormous number of hours doing water safety and is always putting his hand up to help set up and pack away after carnivals. The atmosphere of sportsmanship and camaraderie that this created was truly special.

Aside from racing, our IRB drivers and crews make up an essential part of our patrolling members and it is often the IRB team who are called upon to assist with water safety both at home carnivals and away. I'd like to say a massive thank you to everyone who has volunteered their time to assist with water safety. It is important to remember that no surf lifesaving carnivals would run if these people didn't volunteer their time to make sure competitions are safe.

Finally, I would like to thank our sponsors for their continuing support over the season.

Ben Pink (right) and James Birkmanis getting some air

# Juniors Surf Sports Report

■ Neil Dickson

**W**hat a quick season it was this year!

This season, we ran both the Little Nipper Carnivals (U8 and U9) and the regular Nipper Carnivals at various locations through the Metro area, including the Country Carnival this year at Denmark. There was great attendance at all events with Fremantle regularly having the third largest number of competitors amongst all clubs.

*Our U12 Male Surf Team (from right, Thomas Dreverman, Kalani Chong Sue, Marc Dickson and Liam McGuigan) brought home the gold !*

## Little Nippers

Our youngest competitors competed in three carnivals, with the State Championships being held at Sorrento. These Carnivals are aimed at introducing our kids to surf sports in a less competitive environment. They get used to course layouts, having events run by officials (as opposed to parents) and the thrills of parents and family cheering them on. Events include beach sprints, flag, surf race (swim) and board race. There was great attendance at all events with many close run events. A special congratulations goes to Ella Cameron (U8) who came 3rd in beach sprints.

*Gold medal performance by Jess Stackhouse in the U13 Female Board Race*

## Nippers

After three Carnivals and a State Qualifier, we were off to Scarborough for the State Championships. The conditions over both days were good for Trigg. The forecasted breeze and swell did not materialise which gave us some great, fun conditions. Our teams came back with 4 golds, 6 silver and 14 bronze. Congratulations to all medal winners - you are all listed in the table at the back of this report.

Overall we finished joint 5th with Mullaloo.

## Country Carnival

*Alexander Merry won gold in the U12 1 km beach run at States*

Well, I think this was an experience for everyone. With swell and wave strength up to five times that which we have experienced even at Trigg, this was the ultimate challenge for both our Little Nippers and regular Nippers. The week leading into the events was poor with lots of rain and cloud but by the time the weekend came around, someone was looking out for us. Our Nippers were all a bit daunted to start with but they all stepped up to take on the waves and I know you all impressed your parents with your bravery and skills.

## Thanks

Our Carnivals only run well thanks to all our volunteers. For each carnival we need officials, water safety, IRB Crew and Drivers for various arenas.

Without these volunteers, our club is not allowed to compete at these events. A big thank you to our core group of parents that regularly commit time to help. For next season we will need more assistance so please let us know where you can help. We need people able to help with these roles for each age group. Helping gives you the chance to get up close to all the action and have some fun.

See you all next year.

*Our U10 Female Surf Team (from right, Niamh Dickson, Hannah Morkel, Jemima Paterson, Evie Lila Hussey) took the bronze medal at States*

### Directors Report

Your Directors submit the financial report of Fremantle Surf Lifesaving Club Inc for the eleven months ended 31 March 2019.

#### Board members

The names of board members throughout the year and at the date of this report are:

Cath Morgan - President  
Jack Dowie - Vice President & Director of Surf Sports  
James Birkmanis - Director of Administration  
John Summers - Director of Lifesaving & Education  
John Skipsey - Director of Development  
Tony Silipo - Director of Finance  
Anne-Marie Nunes - Club Captain

#### Principal activities

The principal activities of the association during the financial year were to provide surf lifesaving training and services to members and the community.

#### Significant changes

No significant change in the nature of these activities occurred during the period.

#### Operating result

The profit from ordinary activities amounted to \$98,290.

Signed in accordance with a resolution of the Board of Directors.

**ABN 34 048 412 533**  
**Notes to the Financial Statements**  
**For the Eleven Months Ended 31 March 2019**

**Note 1: Statement of significant accounting policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Western Australia. The board has determined that the association is not a reporting entity.

The report, except for the cash flow information, has been prepared on an accruals basis in that it accounts for debtors, creditors, employee provisions and prepaid building lease income, but has not included other accruals and prepayments in order to be consistent with year accounting treatment. The report is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**(a) Income tax**

No provision for income tax has been raised as the association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

**(b) Property, plant and equipment**

*Property*

Freehold land and buildings are measured at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial, valuations by external independent valuers, less subsequent depreciation for buildings.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the statement of comprehensive income.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

*Plant and equipment*

Plant and equipment are measured on the cost basis.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to their present values determining recovering amounts.

*Depreciation*

The depreciable amount of all fixed assets, excluding land and buildings, are depreciated over the useful lives of the assets to the association commencing from the time the asset was held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**(c) Cash on hand**

Cash on hand included cash on hand, deposits held at call with banks, and other short term highly liquid investments with original maturities of three months or less.

**(d) Accounts receivable and other debtors**

Accounts receivable and other debtors includes amounts due from customers. Receivable expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivable are classified as non-current assets.

**(e) Revenue and other income**

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

Cash receipts are recognised as income when they are deposited into the bank account

All revenue is stated net of the amount of goods and services tax.

**(f) Goods and services tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australia Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

**(g) Accounts payable and other payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days or recognition of the liability.

**Fremantle Surf Lifesaving Club Inc**  
**ABN 34 048 412 533**  
**Notes to the Financial Statements**  
**For the Eleven Months Ended 31 March 2019**

**Note 1 : Statement of significant accounting policies continued**

**(h) Employee provisions**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled

**(i) Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred

**(j) Impairment of assets**

At the end of each reporting period, the committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement

**(k) Inventories on hand**

Inventories are measured at the lower of cost or net realisable value.

**(l) Change of accounting period**

It should be noted that the Club changed its financial year end to 31 March 2019 as per a resolution passed at the Annual General Meeting in June 2018. Therefore the figures to 31 March 2019 are for an eleven month period, the comparative figures for 2018 are for a twelve month period.

Increase in employee provisions	10,472	5,400
Net cash flow from operating activities	<u>87,076</u>	<u>39,051</u>

## Fremantle Surf Lifesaving Club Inc

ABN 34 048 412 533

### Directors Statement

In accordance with a resolution of the board of Fremantle Surf Lifesaving Club Inc, the members of the board declare that the financial statements as set out on pages 1 to 12 :

1. Present a true and fair view of the financial position of Fremantle Surf Lifesaving Club Inc as at 31 March 2019 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial report and the requirements of the Associations Incorporations Act Western Australia.
2. At the date of this statement that are reasonable grounds to believe that Fremantle Surf Lifesaving Club Inc will be able to pay its debts as and when they fall due.

This statement is signed for and on behalf of the board by:

  
President

  
Director of Finance

Dated:

Perth, Western Australia

### **Independent audit report to the Members of the Fremantle Surf Life Saving Association Inc.**

I have audited the accompanying financial report of the Fremantle Surf Life Saving Association Inc. (the "Club"), which comprises the statement of financial position as at 31<sup>st</sup> March 2019, and the statement of comprehensive income for the eleven months then ended, statement of changes in equity and statement of cash flows for the eleven months then ended, notes comprising a summary of significant accounting policies and other explanatory information and the Board of the Fremantle Surf Life Saving Association Inc. assertion statement.

### **Responsibility for the financial report**

The Board of the Fremantle Surf Life Saving Association Inc. is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Incorporated Associations Act of Western Australia and for such internal control as the Board determine is necessary to enable the preparation and fair presentation of a financial report that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report whether due to fraud or error. In making those assessment, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Independence**

In conducting my audit, I have complied with the independence requirements of the Australian professional accounting bodies.

### **Electronic publication of the audited financial reports**

It is my understanding that the Club intends to electronically present the audited financial report and auditor's report on its internet website. Responsibility for the electronic presentation of the financial report on the Club's website is that of the Board of the Fremantle Surf Life Saving Association Inc. The security and controls over information on the website should be addressed by the Club to maintain the integrity of the data presented. The examination of the controls over the electronic presentation of audited financial report(s) on the Club's website is beyond the scope of the audit of the financial report.

**Independent audit report to the Members of the Fremantle Surf Life Saving Association Inc.  
(Cont'd)**

**Audit Report qualification Basis for Qualified Opinion**

Receipts from Bar, Canteen, Merchandise and other cash fundraising activities are a source of revenue for the Club. The Club has determined that it is impracticable to establish control over the collection of this fundraising revenue prior to entry in its financial records. Accordingly, as the evidence available to me about revenue from these sources was limited, my audit procedures for these aforementioned fundraising activities had to be restricted to the amounts recorded in the financial records. I therefore am unable to express an opinion on whether this aforementioned fundraising cash revenue obtained by the Club is complete.

**Qualified opinion**

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report of the Fremantle Surf Life Saving Association Inc. presents fairly in all material respects in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of the Club at 31<sup>st</sup> March 2019 and its financial performance and its cash flows for the eleven months then ended.

**Emphasis of matter**

I draw attention to Note 1(e) in the financial report which describes the revenue recognition policy of the Club including the limitations that exist in relation to the recording of cash receipts from cash sales, donations and other cash fundraising activities. Revenue from this source represents a sizeable proportion of the Club's revenue. My opinion is unmodified in respect of this matter.

Milton L. F. Hunt  
Registered Company Auditor  
No. 13858

Dated at Perth this twentyfirst day of May 2019.

## FOR LASER EYE SURGERY YOU NEED TO SEE DR ROB PAUL - WA LASER EYE CENTRE

*You'll Never Look Back*

You know you are in safe hands with WA's first Fellowship trained Laser Eye Surgeon. Dr Rob Paul MBBS (UWA) FRANZCO is a leader in vision correction surgery with over 16 year's experience. The world's fastest laser suite combined with Advanced skills means WA Laser Eye Centre can offer rewarding solutions for those wishing to free themselves from glasses or contacts.

Our Multiple lasers can treat :

- Shortsightedness
- Astigmatism
- Cataracts
- Longsightedness
- Reading problems
- Keratoconus

Experience the care and personalised attention we offer everyone looking to benefit from clearer vision. Dr Paul, along with our professional staff, will guide you through this remarkable change.

Contact us today to book a **FREE LASIK** assessment and receive the best advice and care on your vision correction options

### DO YOU LIKE THE PICTURES IN THE ANNUAL REPORT ?

If you like the photographs you see in the Annual Report, most of them come courtesy of our Club photographer, Tony Bowers. Tony does an outstanding job recording the life and times at Fremantle Surf Club. Tony's photos are available on his Smugmug site. The web address is <http://freosurf.smugmug.com>. The site is password-protected. The password can be obtained from Administration at the Club or ask any Board Director or Age Group Manager.

# Thanks to our major sponsors for 2019 from all of us !
